Letter No A5-C 15-5/47 dated 9th November 1948 from the Personal Asst to the Dy Ml Commr Bangalore City forwarding a revised ~~proposition~~ statement in connection with the employment of 100 additional sweepers in the Bangalore City Mlly

---

34) Submitted with reference to para 26 supra The extra cost now shown is Rs 43,840 per annum and the 100 additional sweepers are proposed to be entertained on a permanent basis They have already been entertained from the date AOR 11-11-48 noted in para 32 supra

35) It is seen from the Corrce that the 100 Sweepers have been employed on the basis of the resolution of the HL dated 29.6.46 the cost then was estimated at Rs 14,400 per year

There is no restriction of the present HL to employ them on a permanent basis. Also the scales of pay is now different being Rs 1½-2-Rs 2 the recurring effect is Rs 43866/- per annum

A definite decision of the present HL of agreeing to the appointment of 100 Sweepers on permanent basis on the revised scales of pay etc is necessary together with an explanation why a provision for the necessity for the employment of the addl hands was not made in the budget estimates for 1/11/48 or has been ascertained that the pay of these hands has been provisionally passed & subsequently sanctioned by competent authority

necessity to increase the present strength of the Scavenging & Sweeping establishments to cope with the growing work in the suburbs & extension of the city.

47) The extra expr. on this account is likely to amount to Rs 3,840 /- per year when necessary provision has been made in the Budget estimates of the Municipality in this behalf during the current year.

48) There are still 24 (sweepers) temporary sweepers to be continued as such. They should be absorbed as far as possible in the permanent post now sanctioned and their vacancies also reduced consistently with the nos of those sweepers given and by proper distribution of the nos of hands on the several circles of the several extensions. The nos of sweepers maintained in the City & Lawrence Station is about 850 (Approx) & that employed in Municipal works

The Number recently sanctioned is 1165 (both permanent & temporary). It is capable of considerable reduction, if the work is properly supervised & evenly distributed.

Report No H2 Pr 29/45 dated 22nd April 1946 from the Health Officer, Bangalore City Municipality

---

The inadequacy in the strength of sweepers and scavengers of this growing city has been urged again and again and the Government have been pleased to sanction a portion of the additional staff required The total sanctioned strength of sweepers, scavengers and gangmen at present is 1065 Out of this, the total number of sweeper and scavengers allotted to the divisional work is only 833 The remaining 232 are borne in other gangs, viz , Intensive Cleaning Gang Drain Gang Pipe Line and Kalihath Gang, City Market, Slaughter House and Lorries A statement showing the sweepers and scavengers allotted to each division is enclosed.

At present, we have got only a gang of 18 men and 3 maistries for the entire city including extensions, for the removal of pipe lin chokage A proposal to further strengthen the staff by another 18 me and 3 maistries, has already been submitted and the approval of the Government is awaited.

The existing 833 sweepers and scavengers, are quite insufficient to attend to the sanitation of the entire City Some of the congested areas are not served with sweepers and others have not got adequate number Some new extensions have since sprung up The northern portions of Malleswaram, Nagappa Block, the pit colonies, are tidied once a week by rotation Annyappa block, Krishnappa block and several other unauthorised layouts are not being regularly attended to

I, II, VII, VIII and IX Divisions are very extensive and have at present very insufficient staff With this insufficient staff it is not possible to attend to the conservancy and sanitation work of the entire division efficiently and satisfactorily

Therefore, in the interests of the Public Health and sanitatio of the City, it is essential to entertain at least 100 additional sweepers and scavengers on a pay of Rs 12/- each at a total cost of Rs 14,400/- per annum The number of sweepers proposed to be allotted to each division is also noted in the enclosed statement

Statement showing the existing number of sweepers and scavengers allotted to each division, with the proposed number of sweepers and scavengers etc , in the City.

Extracts from the proceedings of the Budget Meeting of the Banga City Municipal Council held on 19-7-1948.

At this stage Sri H.S. Seetharam proposed that the budget might be approved.

Janab S.N.M. Razvi suggested that the budget with the several remarks and observations of the Council be approved.

Sri G.V. Chellam seconded the proposition.

Sri G. Nanjappa observed that the budget could not be approved in toto and wanted that the resolutions should also be incorporated.

Sri H.S. Seetharam explained that the budget had already been delayed and that all resolutions might be taken up as propositions and passed in subsequent meetings and the expenditure might be met out of the closing balance.

This was agreed. Sri H.S. Seetharam requested the President that the budget should be sent to Government immediately and sanction obtained early so that the work might not suffer for want of sanction of Government.

Sri K. Narayan suggested that the provision of 1 lakh for construction of sweepers quarters should be included as already assured by the President.

Then the President brought to the notice of the House that the provision of Rs.1000/- under Reception and Civic Address was not sufficient and wanted the same to be enhanced to Rs.Rs.5000/-

Sri H. S. Seetharam proposed that the same might be taken up in some other meeting and there was no need to alter the present provision.

Then the proposition moved by Sri H.S. Seetharam and seconded by Sri G V. Chellam was put to vote and passed unanimously.

The President thanked the members for the several suggestions and observations and the meeting terminated.

Sd. K. Shamaraja Iyengar,
Honorary President.
